

Packing List for Banff & Jasper NP

* Note: This is a camping trip, (Car camping: our car will be always parked next to the campsite)

If you have sign up with camping gear package, we will provide with:

Camping Gear (Tent - SHARED by 2 person same gender, Sleeping mat, Sleeping bag)

If you have signed up for regular package,

You will need basic camping gear:

- Duffle bag or Backpack to fit all your camping gear
- Small Daypack (to carry snacks / water while you are hiking / exploring)
- Hiking boots
- Sleeping Bag
- Tent (waterproof)
- Air mattress or Sleeping Pad
- Headlamps
- Bugs spray
- Small pouch (toiletries)
- Dry food pack (Mountain house – If you prefer cooking at campsite)
- Camping stove (only if you going to cook at campsite. We will be close to the town so there are plenty of restaurants and grocery stores)
- Rain Gear (Jacket, Pants or Poncho)

*** Nights can be little cold in the mountains, so layering is essential.

– Fleece jacket

– Fleece Pant

– Gloves

– Socks

– Jacket

Weather:

The average daytime temperature during June is around 19°C (65°F) whereas the average minimum temperature during the night is around 5°C (42°F). ... June is the best period to visit if you like outdoor activities. Banff experiences around 12 to 15 hours of daylight and 7 hours of direct sunshine during this month.

*** All campground has shower and flush toilets!
